Dear
Yonnie Wang, Molecules Editorial Office
I've seen reviewer comments, especially reviewer 2. We're going to revise immediately. After that we will continue to edit the language through the recommended editing service, namely at <https://www.mdpi.com/authors/english>.
It took us 10 days to complete both processes. We ask that you be given 10 days to complete the two processes above.

Best regards
Ismail Marzuki

Dear Authors,

We have recently sent you a request for final proof-reading of [molecules-1431372](#). You now have the option to connect your ORCID to the paper via the following link:

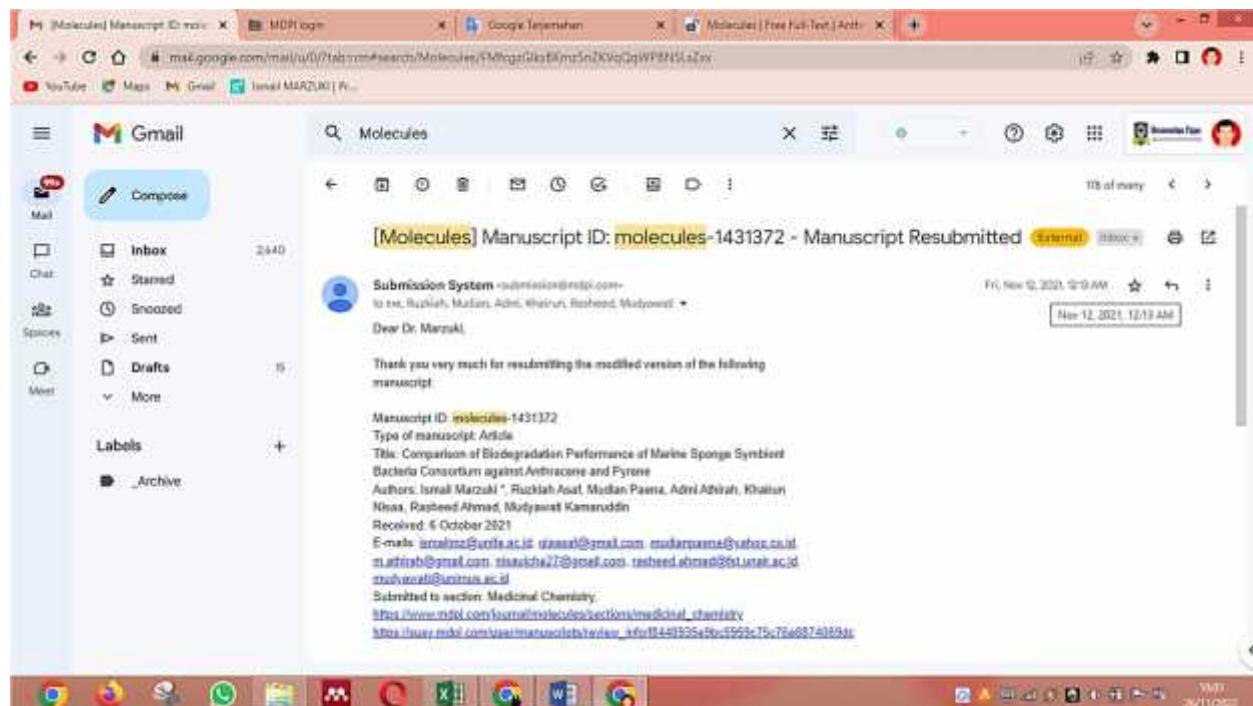

<https://survey.mdpi.com/auth/orcid/confirm/1447915-9bc055b-75-7ba0074d930c>

ORCID is an open, non-profit, community-based effort to provide a registry of unique researcher identifiers and a transparent method of linking research activities and outputs to these identifiers. ORCID is unique in its ability to reach across disciplines, publishers, research sectors, and national boundaries and its cooperation with other identifier systems. The link above allows you to register a new ORCID if you don't already have one.

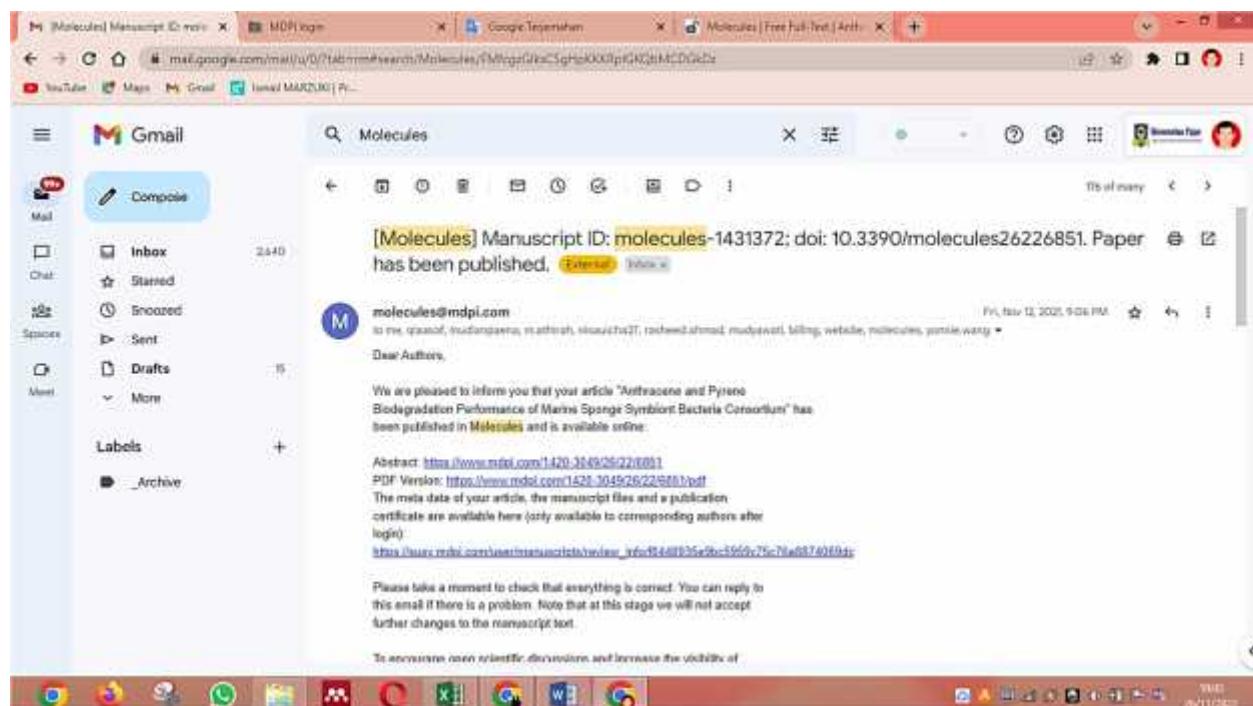

Best regards,

Yvonne Wiersma
